

Accelerate Your Impact Through GRANT WRITING

At Transform Consulting Group, we help organizations diversify and increase their funding through pursuing a variety of strategies.

COLLABORATE

We work with you and your development team to help put your best foot forward in order to attract funders to partner in your work.

ASSESS

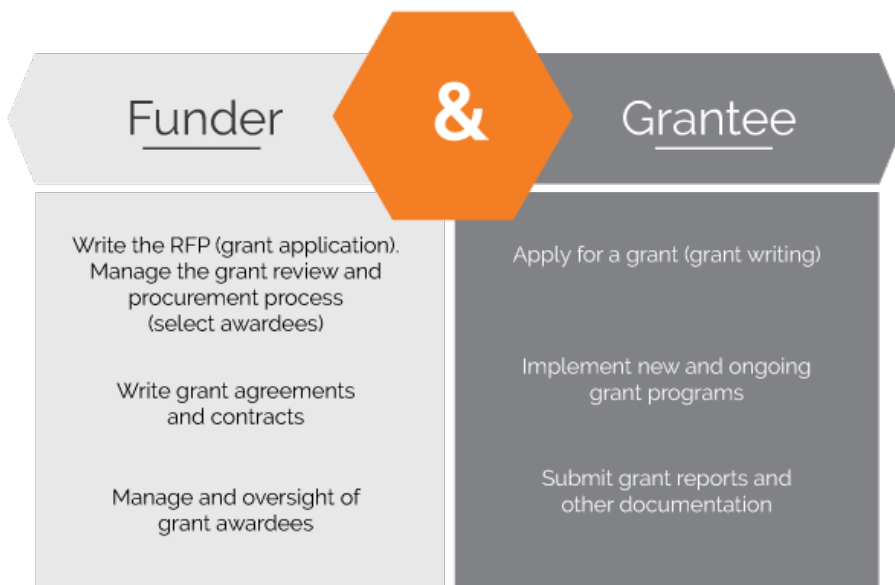

We use current research, industry trends and benchmark similar organizations to identify unique opportunities for building capacity through funding.

CREATE

Based on our assessment and findings, we develop a comprehensive and feasible fund development plan to accelerate your mission.

“ I think that TCG has the right mission. It's not about their own personal gain. They really are committed to the community impact.
Debbie Zipes, Former President of Indiana Afterschool Network ”

OUR GRANT WRITING SERVICES:

- Assess current & past grants
- Create possible funders list
- Develop case statements & strategy
- Develop grant management system
- Train staff on grant writing

We sit on both sides of the table

We work both with funders to develop, implement and manage funding programs and grantees (or recipients) of those funding sources.
