

Are you working to get more students to and through college?
How do you track results and student progress?

Accelerate Your Impact with National Student Clearinghouse (NSC) Data

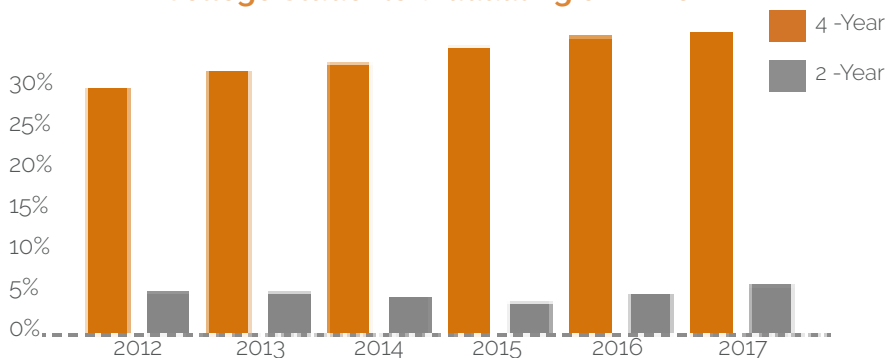

WHY YOU NEED NSC DATA

Use NSC data to answer questions about:

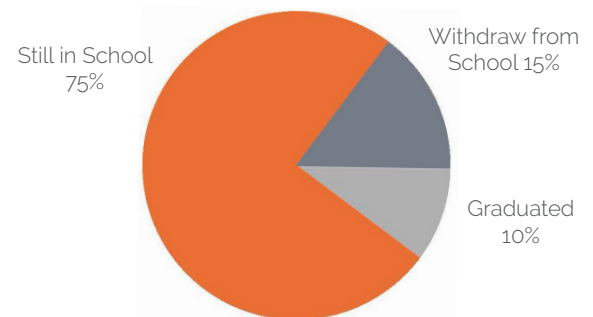

- ✓ How many students are graduating?
- ✓ How many students are enrolling in post-secondary education and when?
- ✓ What colleges or institutions are students selecting?
- ✓ What majors and minors are students selecting?
- ✓ How many students are withdrawing or dropping out?
