

Serving NONPROFITS

Having trouble with fundraising, grant writing and the data you need to move forward?
Are you looking to modify your programs or launch a new initiative?
We can help you get on track with our

OUR SYSTEMATIC APPROACH

COLLABORATE

We work with you, your partners and our industry partners to identify what data and research is necessary to support your current and future goals.

ASSESS

We pull together and interpret the latest research and trends to understand the industry and make best practice-informed recommendations.

CREATE

We create best practices and work with your team not only on how to collect and analyse the data, but how that data can improve your overall organizational outcomes.

OUR SERVICES:

- ✓ Board Development
- ✓ Evaluation
- ✓ Fundraising Strategies
- ✓ Program Development
- ✓ Project Management
- ✓ Research & Analysis
- ✓ Strategic Planning

TRANSFORM
— CONSULTING GROUP —

We felt like "wow" we really got a lot out of working with the TCG team and our staff really enjoyed working with her. They were timely and professional and did an excellent job.

Miriam Acevedo Davis, President & CEO
La Plaza

I would recommend Transform Consulting Group to you because of their professionalism, their breadth of knowledge, their working attitude, and just their ability to connect with your organization and with your stakeholders. They bring the total picture.

Ted Maple, Former President
Early Learning Indiana
