Differentiators

Our team at TCG includes a combination of diverse practitioners—educators, social workers, and data analysts. Our subject matter expertise in education and human services enables us to provide distinctly valuable consulting services. Our approach to consulting is unique. We work to engage our clients in the full process, so they are equipped to carry out the work beyond our partnership. Our clients include community-based nonprofit organizations, schools, and philanthropic partners, so we bring a comprehensive knowledge base, diverse understanding, and connections to our government clients.
