

"I DON'T PLAN TO LIVE HERE IN 5 YEARS"

-Wabash County Millennial

Did you know?

- Wabash County is the only county in the NE Indiana region that has a declining population
- If a wall was built around Wabash County, and nobody could enter or exit, the County's birthrate would not keep pace with the death rate
- Wabash County's labor force participation rate is decelerating at a faster rate when compared to the state of Indiana

Please attend one of the
IMAGINE Wabash County public discussions
to learn more!
